This beautiful custom built home is located in a very desirable area of Apple Valley. It features a one story 2,644 square foot home on a 27,180 square foot lot. The property is nestled back from the road with a large circular driveway with a covered entry. As you walk into this lovely home you are greeted with a sunken living room on your right and a stately library with double glass doors on your left. The massive family room with a brick fireplace is adjacent to the large kitchen with a breakfast bar that would seat at least 8 to 10 people. The extra large master bedroom has a warm brick fireplace with sliding doors going out to one of the three covered patios. The backyard has a fenced in pool and spa with a rock waterfall spilling into the pool and a fire pit for those cool nights. This is a perfect home for entertaining with a built-in barbecue and plenty of patio areas for a large crowd. One of the special features is the private gated oversized 3 car garage with concrete RV parking on both sides of the home.
